Dear Parents and Caregivers,

This Friday is the cut-off date for the return of the School Evaluation surveys. To date over a third of our student population has returned the survey forms. We hope to collate the surveys and publish the results in next week's newsletter. Bonville Public School is currently drafting a School Management Plan for 2014. The draft plan will be presented at this Tuesday's P&C meeting for discussion. Once the plan is finalised and endorsed by the Director of Public Education it will be available on the school's website.

Last Friday our great students from K-2 enjoyed their annual preschool visit performing a number of their hits from the choir. The feedback we have received has been full of great praise for Bonville students' manners, spirit and beautiful voices. Way to go!

Safety is everyone's concern!

Please obey the parking signs in front of the school. Vehicles parked within the designated parking zone directly in front of the school should not be left unattended by the driver. This is a set down and pick up zone only during restricted hours. Safety first!

All Visitors to Bonville Public School

All helpers and visitors **must sign in** at the office upon arrival. This is a Work Health and Safety requirement in the event of an evacuation so that the school knows everyone on site is accounted for.

School Uniform

This week we will be sending out another School Uniform Order Form for the commencement of the 2014 school year. Order forms will be required to be returned before the end of the school year with the full amount payable.
