Principal's Report

Can you answer the following question?

Question 6

In 1970, which singer had a hit with his song Man'?

Bought to you by
 Bonville Public School P&C

If you can answer, please support the P&C and our school. Buy your ticket to Friday night's Trivia.

Today is the due date to book a table at the P&C Trivia night fundraiser. The P&C have secured some wonderful prizes. In conjunction with the trivia night there is also a raffle. Whilst we hope to have as many teams as possible, if you are unable to join the trivia night you can purchase raffle tickets.

The raffle prizes include but not limited to:

- 18 holes for two at Bonville Golf Course
- 50% off a SKY DIVE (Coffs City Sky Dive)
- \$200 Bursons Automotive Voucher
- Massage Voucher (Endota Spa)
- Plus more

Tickets can be purchased from the school office or contact myself or a member of the P&C. Last chance for 'Table Teams'. Teams can have a minimum of 6 and a maximum of 10 members and there is a fantastic array of prizes. However, if you as an individual, want to come and enjoy the evening, let us know and we will create a team for you. Contact the school office or members of the P&C to secure your table.

It's not too late to support this fundraising opportunity.

This Week's Characteristics include: Cooperation, engagement, kindness, demonstrating confidence, diligent and conscientious work ethic, resilience and friendship.

Our Senior Choir performed beautifully at the Sydney Opera House last Tuesday evening. Unfortunately some of our students were too sick to perform. They showed great resilience given the circumstances. Thank you for all of your hard work.

Livia achieves her person best.
 7th in NSW High Jump

Congratulations Livia Oppliger on her sensational efforts at the NSW State Athletics Championships in Sydney last week. Livia was successful in making it through the elimination stage to the final group. Livia jumped her personal best (140cm) to finish 7th in the Senior girls High Jump. A sensational effort. Well done Livia.

Congratulations to the three students who represented Bonville at the Public speaking last week. Delilah Uzzell, Chloe Beveridge, and Oliver Sommers. All three students should be extremely proud of their efforts. I received some wonderfully positive comments from the other schools about how beautifully you all spoke.

Last days to complete the annual 'parent survey'. Currently we have 29% completion rate. We want to hear from as many parents as possible. We look forward to viewing your responses. If you haven't already completed the survey, please use the link below:

10 day Intensive Swimming & Water Safety Program will commence on Monday 21st November. This important program is for all students in Kindergarten, Year 1 and Year 2 as well as older students who are unable to confidently swim 25 metres. Further information will be sent home to families this week.

Stage 2 left this morning for their adventure camp as the sun was trying to break through the clouds. Hopefully the weather clears over the next few days so that they can thoroughly enjoy themselves.

Stage 3 end of year excursion is fast approaching. Year 5&6 will be participating in an excursion to Canberra and Sydney leaving on Sunday 13th November at 8pm, travelling through the night. All payments are required by the week before the excursion. The school is already subsidising the overall cost per student however if families require additional assistance with the excursion please contact the school for support.

Covid guidelines for Term 4. I have emailed Term 4 guidelines to all families on Friday. Parents are still required to inform the school of a positive result and I will let the community know which classes as we have been doing since the pandemic commenced.

Thank you for your continued support of Bonville Public School.
