Principal's Report

Stage Two excursion to the Adventure Centre concluded last week. Every student I spoke to reported having 'the best time ever!' It was so pleasing to hear all the great stories of fun and of facing various fears and challenges. Thank you to Mrs Hunter and Ms Bourke for organising this excursion and giving up time from their own families each night. The Stage 3 excursion to Canberra and Sydney leaves on Sunday 13th November at 9:00pm. Notes are coming home today with further information.

The P&C Trivia night held on Friday was a great success with nearly 70 guests attending. The eight teams all reported positively about how much fun they had during the evening. Thank you to Suzette Smith for all of her efforts in organising the Trivia night and the raffle. Thank you to everyone who donated prizes and to those who purchased raffle tickets and congratulations to the following people.

Over the next few weeks all classes will participate in Child Protection Education. This is very important in keeping our children safe. For further information please contact your child's teacher.

The annual 'parent survey' closes tomorrow. Currently we have the greatest number of respondents ever. This is the last chance. We want to hear from as many parents as possible. We look forward to viewing your responses. If you haven't already completed the survey, please use the link below:
