

Term 3, Week 8

5th September, 2022

'Innovation and Opportunities'
Responsible, Respectful, Resilient Learners

Principal's Report

Well-being Day last Wednesday was a success!

Students from K-6 were involved in various different "well-being" activities across the day. We had letter writing, collaborative mural art, yoga, stress ball workshop, gratitude jar, mindfulness colouring, mandala art and bubble creations! I was able to sit in on many of the different activities and enjoyed experiencing a sense of calm across the school. It was also pleasing to see all students working together and practising mindfulness and wellbeing!

Essential Energy – Electricity Safety Week.

Students in K-2 were fortunate enough to have been selected to launch Electricity Safety Week last Thursday. Mr Gurmesh Singh visited our school to open the day! Students in K-2 learnt about electricity and how to stay safe around electricity, both in the home and when outdoors. We also managed to get outside in the sunshine and participate in a range of electricity safety themed outdoor activities.

Year 5/6 and 3/4 Camp. Year 5 and 6 students will be going to Canberra and Sydney from 13th November to the 17th November. Students will depart school on Sunday night and return to school Thursday. Additional information regarding cost was sent out last week. The total cost of the excursion is \$600. More information regarding a detailed itinerary and checklist will be sent out early next term. Year 3 and 4 students are going to The Adventure Centre from 24th-26th October. The cost of this excursion is \$315 per person. If you would like financial assistance please make sure you contact Mrs Hunter or Ms Grace as we would not like anyone missing out.

Camp fundraiser raffle. We have students in Years 3-6 going on annual camps this year. Our Year 5 and 6 students are going to Sydney and Canberra and our 3 and 4 students are going to The Adventure Centre. We have organised a raffle to fundraise money to help support students and families with the expense.

This Week's Characteristics include:
 active learning, demonstrating resilience,
 leadership, responsible, kind & caring.

Congratulations to all the students who participated at the North Coast Athletics Carnival on Friday.

Charlie Hewitt, Maicy Gibbs, Livia Opplinger, Moale Grant and Hayden Brien. Students participated in a range of both track and field events. We are so proud to have these athletes represent our school at this level. An outstanding achievement to reach this level!

Our beautiful Ms Tanis is back doing choir! Choir will be on every Thursday afternoon. Our Junior Choir consists of students in years 2 and 3 and our Senior Choir are very busy with rehearsals for the grand Choral Festival at The Sydney Opera House in October.

Choral Festival is fast approaching! Our senior choir group will be performing at the Sydney Opera House on Tuesday 18th October. Notes have previously gone out regarding ticket sales. Tickets for the event will go on sale on Tuesday 13th September. There are only limited seats available and 3 tickets available per transaction. Students are currently learning about 15 songs with the guidance of Ms Tanis!

Recycling Program - Bottles wanted!

2/3B are collecting recyclable bottles. Please rinse bottles and bring them to Ms Bourke's classroom! These recyclables will be refunded and all proceeds will be put towards the Stage 2 and 3 camps.

Remember September for Pancreatic Cancer!

Remember September is a way to honour someone you've lost to pancreatic cancer, or stand with someone fighting this disease. Choose Give It Up and give up a vice of your choosing like caffeine or sugar, or choose to Move It and walk 63km over the month.

Judy Watson was a beloved teacher at Bonville Public School who lost her battle with pancreatic cancer. She had been at Bonville Public School for around 20 years and we miss her greatly. Ian Watson, Judy's husband has started his 63km Remember September Challenge. Please follow the link to sponsor Ian:

Bonville Public School will be holding a 'Purple Day' fundraiser on Friday 23 September, to raise funds for life-saving pancreatic cancer research to improve survival rates for people fighting pancreatic cancer. All money will go towards for life-saving research! We will also have a tin in the office for donations.
